

Privacy Policy and Web Use Terms

Thank you for visiting Symphony Organizer®, a website of Framework Applications, LLC. Your privacy is very important to us. The purpose of this statement is to explain to our visitors our privacy policy and web use terms.

Data Files

Symphony Organizer® a website of Framework Applications, LLC applies security measures to protect client data files while using this website. We do not sell or disclose any client data files sent to us by the client - we will use the information only for the purposes you request or authorize.

Symphony Organizer® may at times collect generic information about our visitors. Our web servers automatically log standard access information about your domain name (such as .com, .org, etc.), the point of entry from which you enter our site including, and the files you request. This information is not linked to any personally identifiable information about the visitor nor his personal e-mail address. Information gathered does not personally identify you, but may be used to maintain the security and performance of our network, to help manage our website and to provide us with useful information in order to improve the services we offer. Symphony Organizer® does not share web server access information with any other organization and does not use cookie technology or any other concealed data collection methods.

Generally, Symphony Organizer® only obtains information about you when you voluntarily supply such information to us via correspondence such as e-mails, letters, or if other users or third parties send correspondence to Symphony Organizer® about your activities or applications on the website, we may collect such information into a file specific to you. We do not sell any personal information to list brokers, mail-order businesses, or telemarketers. No personal information will be disclosed to third party organizations unless required to do by state or federal law.

Links to Other Websites

Links on this site may lead to servers maintained by individuals or organizations other than Symphony Organizer®, a website of Framework Applications, LLC. Symphony Organizer® does not control these sites and resources, does not endorse them, and makes no representation or warranty regarding the accuracy, timeliness, suitability or any other aspect of the information located on such servers.

No Warranties

All information and material on this website is provided "as is" and without express or implied warranty. Symphony Organizer®, a website of Framework Applications, LLC has the right to make changes to any content contained within this server without prior notice. Your continued use of our site following the posting of changes to these terms will mean you accept those changes. Information collected prior to the time any change is posted will be used according to the rules and laws that applied at the time the information was collected.

Symphony Organizer® does not warrant that the use of this website will be uninterrupted or error-free or that any error or defects can or will be corrected. The user hereby waives all warranties, including but not limited to any warranty of merchantability, fitness for a particular purpose or warranty against interference or infringement.

Symphony Organizer® and any of its employees, affiliates and/or contractors shall not in any event be liable for any direct damages, lost profits, revenues, business opportunities or business advantages whatsoever, nor for any special, punitive, consequential, indirect or incidental losses, damages or expenses directly or indirectly relating to the use or misuse of the information or material on any Symphony Organizer® website(s).

By using this website, you certify that: (i) you are at least eighteen (18) years of age; (ii) you assume full responsibility for the use of the service by any minors; (iii) you agree not to knowingly submit false

information; and, (iv) your use of the Symphony Organizer® website and network of websites is subject to all applicable federal, state, and local laws and regulations.
